

A vibrant movie poster for the Pixar film "Elio". The background is a deep blue space filled with stars and nebulae. At the top center, the "Disney · PIXAR" logo is displayed in white. Below it, the title "ELIO" is written in large, glowing white letters, with a small orange and yellow sun-like icon above the letter "i". In the center, a young boy named Elio is depicted running towards the viewer. He has a blue eye patch and wears a green t-shirt with a star, green shorts, and a silver helmet with various wires and a small antenna. A green cape is attached to his back. To his left is a large, pink, furry alien creature with a wide, toothy grin. To his right is a small, glowing, translucent blue alien with a friendly face. In the upper left corner, a pink alien with long, flowing hair and large eyes looks down. In the upper right corner, a blue alien with large green eyes and a small glass containing colorful beads is visible. At the bottom, the words "ACTIVITY PACK" are written in large, white, blocky letters.
